

ዘመናችን ሁሉ አልፎአልፍ፣ እኛም በመፃኅብ አልቀናል፤ ዘመናችንም እንደ ሸረራት ድር ይሆናሉ።

|                       |                                 |                       |                       |                           |                       |                       |                       |                 |                            |                       |    |
|-----------------------|---------------------------------|-----------------------|-----------------------|---------------------------|-----------------------|-----------------------|-----------------------|-----------------|----------------------------|-----------------------|----|
